ATI - Test Bank

A test bank is a collection of test questions tailored to the contents of an individual textbook. Many instructors rely on these resources to develop their exams. Test banks may contain any or all the following types of questions: multiple choice, true/false, fill in the blank, matching, and essay/short

Yah this looks pretty similar to me too, I just took practice test A and B! I highly recommend doing at least one practice test from each category, then google all the quizlets you can find. There are many more than this one. Each one of the systems you can google and they'll come up with more questions, ie) ATI mental health quizlet.
