Baen is an online platform for you to read your favorite eBooks with a secton consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBokks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.
