Mono Jetronic A2.2 and Digiplex 2. Engine is a 1.0 but has the Digiplex 2 ignition system fitted. (I have no idea why, the car is not standard at all but apparently had only the one previous owner & just a 'normal' user, not someone messing about with aftermarket anything - anytime I've driven with it where they lived, something weird always fails in my car suddenly, and that happened before I knew where they lived...)
