These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here.

Embrace My Story From Body

It's poorly written, poorly organized, and doesn't provide much encouragement for one to embrace his/her body. The author rambles through her story and the profanity is obscene. I had such high hopes for "Embrace", but it's so bad that I threw it away.

Embrace: My Story from Body Loather to Body Lover ...

A warm, frank and funny account of Taryn Brumfitt's journey from hating her body to being a free-thinking exponent on the value and power of a positive body image. Raises important questions about the pressures society puts on women to conform to a certain body shape, and asks what we can do to prevent this having a negative effect on the next generation.
