Assimil is definitely my favourite system for learning languages. Keen to improve my Japanese, I bought v.1, v.2 and the writing book. V.1 is the so called 'passive' stage of learning. Not too sure of the science behind it but it starts out with pretty basic conversations that you repeat. THE PROBLEM. Japanese with Ease heavily uses ROMAJI!

3.5 stars. I started Assimil Volume 1 in April 2008 and it was my very first encounter with studying Japanese. After so many months of self-studying Japanese on and off using Assimil (a month spurt followed by no study for several months, again and again), I finally focused and tried to really study with some sort of consistency these last couple of months to finally finish it.
