1-2 Summary. Sidney Lumet begins by speaking about the actor and crew call in the morning and how it normally goes. The way he describes it, “production assistants nervously awaiting,” “PA’s who have set the tables up wrong,” etc. makes the task sound nerve racking and strenuous. Lumet also describes why he makes movies and how he does it.

"Making Movies" is a wonderful insight into the director's role in the filmmaking process. The entire book reads like Lumet has sat you down to tell you a story. We get a chance to peer into his mind as he makes small but critical choices throughout the Pre-Production, Production, and Post-Production phases in the movie's life.
