Mastering the Commodities Markets eBook por ...

We call this the "commodity trap". It is feared by all business to business companies. In fact, many believe that they are already in it. In this white paper we advance the argument that there is no such thing as a commodity in business to business markets. The fact that a buyer says that all suppliers are the same is a fallacy.

How to Compete in a Commoditized Market - B2B International

The Perishable Agricultural Commodities Act (PACA) establishes a code of fair trading practices covering the marketing of fresh and frozen fruits and vegetables in interstate and foreign commerce. The PACA protects growers, shippers, distributors, retailers, and others who deal in those commodities by prohibiting unfair an fraudulent practices.
