I have been trying to get hold of a users manual for the Radio Mini CD installed in my 2011 MC. All I can find are references for the Mini Boost CD. Am I right in thinking that these are different units? I have tried three different Mini concessionaires her in Southern Spain without success.

Radio Mini CD users manual! | MINI Cooper Forum

MB Mini Boost The MB Mini series of pedals from Markbass is made to the same high quality level as our standard effect line, but uses an ultra-compact, lightweight chassis. Smaller than other stompboxes, these incredible-sounding pedals will fit onto even the most crowded pedal boards, and the 9-12V power requirement means you can use them with ...

MARKBASS | Products | MB Mini Boost

• Completely read the user manual and gather all necessary tools, material and accessories before installing the booster • A "soft installation" is recommended before permanently mounting any equipment - this technique will simplify the installation process by allowing users to identify any potential installation issues beforehand
