Miracle Brew Hops Barley Water

Pete Brown's Miracle Brew: Hops, Barley, Water, Yeast and the Nature of Beer makes the case that beer is also beautiful, fascinating, and worthy of your full attention—even if you're a wine drinker. Brown profiles each of beer's ingredients and explains the precise, not-completely-understood role they play in brewing.

Miracle Brew: Hops, Barley, Water, Yeast and the Nature of ...

Miracle Brew is a fantastic, fascinating look at the four seemingly-simple ingredients that go into every beer: barley, yeast, water and hops. Rather than a how-to for brewing or a guidebook for best beers, this book tells you the backstory - WHY humans have made and drank beer for thousands of years, and WHY we love it.

Review of Miracle Brew (9781603587693) — Foreword Reviews

Hops are one of the integral ingredients in beer and are added at the beginning, middle and end of the brewing process. These cone-shaped flowers add bitterness to the beer as well as general flavor and aroma. While there are over 100 different varieties of hops, some of the most common ones include cascade, nugget and centennial.
