The book is a larger size board book, with simple bright pictures of various trucks. The trucks are grouped by truck categories, such as emergency vehicles, construction trucks, etc. The captions and text are minimal. It is great for sharing and talking about the pictures, but don't expect to read a story.

My Big Truck Book is a huge colourful board book. It shows you pretty much every kind of truck you could possibly think of, and much more besides. Even as a grown up, I never realised just how many different types of tractor there are! Two-year-old Pierre has been looking at it non-stop since it arrived and I've noticed that, unlike many books where he just flips through the pages without really even looking at them, he spends several moments on each page really looking at the pictures.
