Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

NEC NW452 (Top Loading Washing Machine): 4.1 out of 5 stars from 10 genuine reviews on Australia's largest opinion site ProductReview.com.au.

NEC NW452 | ProductReview.com.au

Hi, I have an NEC NSW-452 Top Loading washing machine and it has stopped working completely. When I turn the power on at the wall (I've checked the socket and it's working fine) and turn it on using the display panel nothing happens - none of the LEDs come on. Has anyone had a similar problem or does anyone know what I could do for this? Thanks, S.
