To type notes on a page in OneNote, click wherever you want them to appear, and then start typing. Whenever you want to begin a note elsewhere on the page, just click and start typing there. To add a page title, click the page header area at the top of the page and type the title. Titles also show up in the page tabs near the right of the page.

Basic tasks in OneNote 2016 for Windows - OneNote

On the menu bar, click Insert > Table to insert a starter table with 4 columns and 4 rows. While typing text on the current page, press the Tab key on your keyboard to begin a new table with two columns. The text you've already typed is placed in the first column and OneNote inserts a second column to the right of it.
