BS EN ISO 14732:2013 Welding personnel — Qualification testing of welding operators and weld setters for mechanized and automatic welding of metallic materials. Bill Lucas prepared the information in this article in collaboration with Oliver Smith, John Weston and Gene Mathers. For further information on WPSs see Welding Procedures

Welding Procedure - TWI

In Germany the latter standard is published as DIN EN ISO 14732. This means that, in terms of the qualification of welders and welding operators, the two ISO Standards can be considered as being equivalent to the ASME Code and thus apply in the US as well. This will be a great advantage for many European and international companies.

ASME refers to ISO welding standard
