Stearns, World Civilizations, AP Edition | Pearson

Designed for introductory-level survey courses in World History. The primary goal of World Civilizations is to present a truly global history—from the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts.

Sixth Edition World Civilizations - Pearson Education

The Heritage of World Civilizations provides an accessible overview of Asian, African, Middle Eastern, European, and American civilizations with an emphasis on the role played by the world's great religious and philosophical traditions throughout history. Leading scholars in their respective fields, the authors empower students to view the events and processes that have shaped our increasingly interdependent world through a comparative, global lens.
