Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Books similar to Peddling Prosperity by Paul Krugman ...

"Peddling Prosperity" is the second Krugman book I've read so far. It's very good. Krugman has a gift for explaining complicated ideas in a homely and memorable way. But I guess that's why he makes so much money.

Amazon.com: Customer reviews: Peddling Prosperity

Krugman's Peddling Prosperity is a lucid deconstruction of supply-side economics; a strident (and sensible, as far as I can tell) defense of Keynesian theory after. Krugman's enfilade against the policy entrepreneurs is strictly bipartisan, but most of his fire is directed against the supply-siders with only a few random shots.

Peddling Prosperity Economic Sense And Nonsense In An Age ...

Peddling Prosperity is the best primer around U.S. economic history. The past twenty years have been an era of economic disappointment in the United States. They have also been a time of intense economic debate, as rival ideologies contend for policy influence. But strange things have happened to economic ideas on their way to power: they've been hijacked by policy entrepreneurs—economic ...
