Leave the pencil drawing detailing bits to end, first focus on adding enough graphite to big blocks and work on the light shades, much like working on a photo negative in a dark room. It's advisable to use a mechanical pencil which has replaceable leads, so you can have sharp outlines. If you are using graphite powder, use the buffing technique ...

50 Realistic Pencil Drawings and Drawing Ideas for Beginners

A great set of inexpensive colored pencils. My set was completely sharpened with no broken points, and all the pencils I sharpened while/after using sharpened to a new point on the first try. The pencils are relatively soft and creamy to use (NOT Prismacolor Soft!) and give very good coverage, but I had poor success blending them.
