information, policy and decisions for Derbyshire CCGs. These resources are mainly provided for NHS primary care health workers to support safe, effective and good value choices for prescribing medicines that provide optimum health improvements for our local population.

Medicines Management

Where To Download Prescribing Policy Wirral Medicines Management

Good practice in prescribing and managing medicines and devices You are responsible for the prescriptions that you sign. You must only prescribe drugs when you have adequate knowledge of your patient's health. And you must be satisfied that the drugs serve your patient's need.
