Progress & Poverty is the missing puzzle piece for those of us who look around at the combination of magnificent and accelerating technological progress and the increasingly distorted distribution of income and wealth in America, with many people lacking sufficient income to meet their most basic needs, and wonder what went wrong in a country which professes to be dedicated to the proposition that we're all created equal.

Progress and Poverty: An Inquiry in the... book by Henry ...

Progress and Poverty caused a sensation, selling well over 3 million copies and winning praise from such great minds as Albert Einstein, Winston Churchill, Leo Tolstoy and Sun Yat-sen. American Philosopher John Dewey wrote that unless one was acquainted with Henry George's ideas " No man, no graduate of a higher educational institution, has a right to regard himself as an educated man in social thought..."
