Research Application Paper

A research paper is an expanded essay that presents your own interpretation or evaluation or argument. When you write an essay, you use everything that you personally know and have thought about a subject. When you write a research paper you build upon what you know about the subject and make a deliberate attempt to find out what experts know.

Research Paper Writing Help Service

Your purpose in writing an application paper is to apply established research findings and theories to contemporary problems and issues in psychology. The paper itself may take many forms. For example, it could be an application for a research grant, a proposal for a service learning project, or a recommendation to a client/agency. Regardless of the exact audience and purpose of the specific document, every application paper clearly reviews and describes a body of research or theory, then ...
