I have a Sharper Image set of wireless headphones, model number SHP921. They're the kind you connect to your TV and can listen to them in headphones instead of disturbing the whole house. I have hooked them in correctly and followed every instruction to the letter, but I can't seem to get them to work.

I bought a pair of Sharper Image Own Zone wireless earphones at Home Goods. The first time I tried them the sound was perfect and I was very happy with it. The next time I went to use them the transmitter would not turn on. I switched USB port with no results. I connected the transmitter to an electrical outlet with no results.

Own Zone Wireless Headphones Reviews: What Customers Are ...

Wireless earphones and headphones are perfect when you want to secure your earphones without having to compromise on the intensity of your workout sessions. In-ear headphones will give you a snug fit and they rest on the ridge of your ears. Over-ear or on-ear headphones enclose the ears with a closed back and sit on the outside of your ears.
