Something New Under the Sun (Falling Sky #2) by L.A. Witt

The best of Something New Under the Sun is based solidly on first-person interviews. The section on Project Moonwatch is a fascinating glimpse into the consciousness of the time regarding satellites and space exploration. In 1957, there was no radar that could track a satellite so early tracking schemes were dependent on visual observation.

Something New Under the Sun: Satellites and the Beginning ...

"There is nothing new under the sun," says Ecclesiastes. (1:9) But are we meant to understand by this that roughly 2,980 years ago a king was having one of those desultory, downer days that come along from time to time, or are we supposed to take at face value the truth that really nothing genuinely new ever happens beyond the conceit of contemporaneity imagining that it does?

COVID-19: Something New Under the Sun? - Foreign Policy ...

Something New Under the Sun. Steve Scafidi. It would have to shine. And burn. And be a sign of something infinite and turn things and people nearby into their wilder selves and be dangerous to the ordinary nature of signs and glow like a tiny hole in space to which a god presses his eye and stares. Or her eye.

Something New Under the Sun by Steve Scafidi - Poems ...

In the natural world, there is a cycle that is simply repeated over and over, taking the objective observer to the conclusion, "there is nothing new under the sun." {This text, "The sun rises, and the sun goes down, and hasten to the place where it rises," verse 5 - was the inspiration for the Earnest Hemingway title, "The Sun Also Rises," (1926).}

Ecclesiastes 1:4-11 - "There Is Nothing New Under The Sun"

In contrast to science, which depends for its advancement upon the gradual temporal development of the technology of instrumentation, philosophy depends upon common human experience had by all throughout the ages. St. Thomas presents five ways of proving the existence of God in the Summa Theologica, Q2, Article 3. He writes within the tradition of ... Something New Under the Sun? Read More »

Something New Under the Sun? - Catholic Stand

there's nothing new under the sun There is nothing in the world that has not already happened, been seen, or been created; things exist now as they always have. Sometimes used for hyperbolic effect. Another war has broken out, and people continue to kill one another for land and ideology.

There is nothing new under the sun - Idioms by The Free ...

So there is nothing new under the sun. New King James Version That which has been is what will be, That which is done is what will be done, And there is nothing new under the sun.

Ecclesiastes 1:9 What has been will be again, and what has ...

the emergence of new technologies including photovoltaic arrays for generating electricity and stressed the importance of competition and consumer choice. Today we're exploring many of the complex issues that arise when consumers generate their own electric power using solar photovoltaic panels.
