Happiness
Mybooklibrary**

Stumbling on
Happiness is a book
about a very simple
but powerful idea.
What distinguishes us
as human beings from
other animals is our
ability to predict the
future--or rather, our
interest in predicting
the future.

Stumbling On Happiness

Stumbling on happiness makes the point that we often feel worse for small misfortune than for really major ones. This is because we have an in-built mechanism that often kicks in to protect our mental well being when really major disaster happens. But we don't have the same for smaller events.
