Youth Power In The Modern

The Role of Youth in the Modern World There have always been two widespread and conflicting myths about the young; these two myths are equally delusional and both are passionately embraced -- often by the same people -- even though the myths themselves are intrinsically inconsistent and contradictory. The first myth, of course, is that the new generation is hopeless: hopelessly lazy, hopelessly self-indulgent, and hopelessly destined for the trash heap of history.

The Role of Youth in the Modern World There have always ...

Youth in the Modern World. One of the features of English social life in the post-war years has been the ascendancy of the adolescent age groups. Not only have entire new branches of the entertainments industries sprung from the enthusiasms and the spending-power of the young; a popular press exists for them as it has always done for the so-called middle class, and a small popular culture has grown round their emotions and their "rights".
